IT MAKES A DIFFERENCE.

It makes all the difference in the world to the convivial man where, and what, he drinks. Most men desire beauty and cleanliness, and handsome appointments in the saloon they patronize regularly, as well as the essential pre-requisite of genuine wines and liquors that are served to them. And these things are so particularly and properly conspicuous at Otto Sund's elegant resort, the Commercial, at No. 509 on the street of that name that they account thoroughly for the fixed and splendid custom he enjoys. There is nothing allowed to pass his counter but the best and choicest in every department of indulgence, and the service behind it all, is the most pleasing and satisfying in the city.

The Price of Health.

"The price of health in a malarious district is just 25 cents; the cost of a box of Dr. King's New Life Pills," writes Ella Slayton, of Nolan, Ark. New Life Pills cleanse gently and impart new life and vigor to the system. 25c. Satisfaction guaranteed at Chas. Rogers, Druggist.

PERSONAL MENTION.

Mr. and Mrs. George W. Sanborn went up to the metropolis on the morning train yesterday.

Nelson Troyer went to Portland last evening.

Dr. W. E. Broadwater will depart soon for Oakland, California, where he will follow his profession.

For The Little People.

Every parent in this city should investigate, at once, the new and appreciable shoe for the youngsters, at Charles V. Brown's Commercial street house. They are called the "E. C. Souffer" and are the very epitome of good wear and real comfort. They are going like wild-fire and the kids themselves are after them because they look so "comfy."
